# HOW TO SIGN UP WITH A TEACHER ACCOUNT:

## To Sign Up:

- 1 Navigate to the ClassDojo homepage [here https://www.classdojo.com/](https://www.classdojo.com/)
- 2 Select "Teacher" from the center of the screen

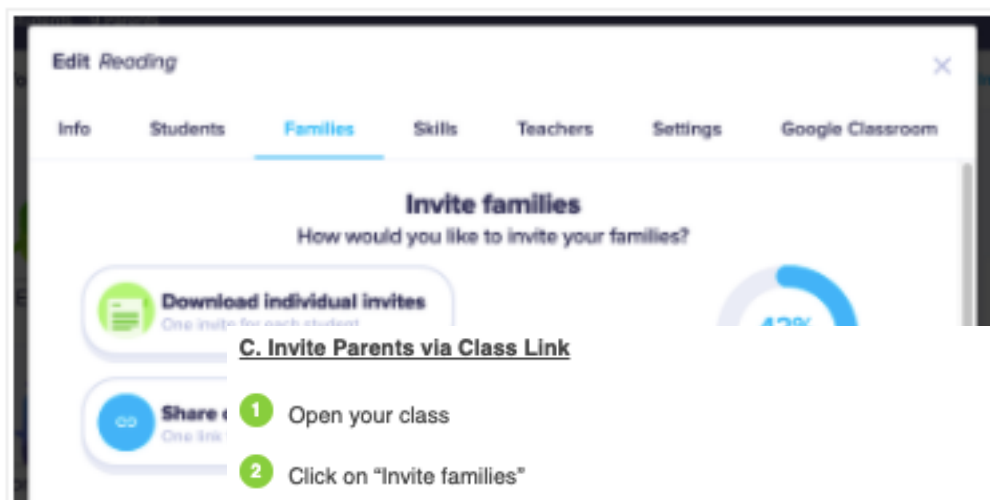

- 3 Enter your personal information and click "Sign up"
- 4 Join your school by entering the name of your school, selecting the matching school listing from the school list, then clicking on "Join this School" (click "Can't find school? Add it now" if it is not in the search results)

# WAYS TO CONNECT PARENTS TO DOJO:

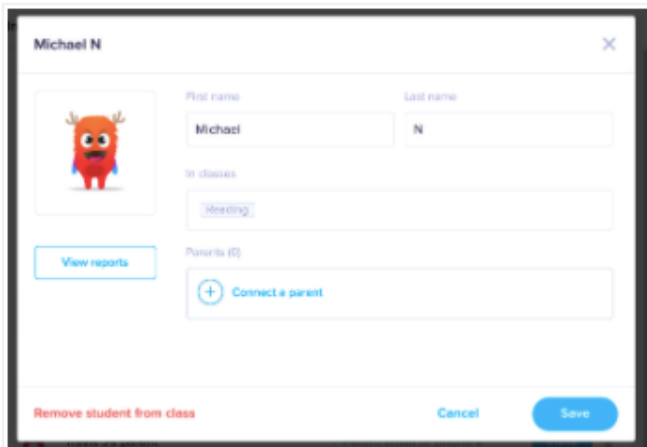

## A. Print Parent Invitation Codes

- 1 Open your class
- 2 Click on "Invite families"
- 3 Click the "Download individual invites" button to download a PDF of your parent codes, and then print them from your computer. There will be an individual code for each student that families can put into their account and connect to the student and your class.

## B. Invite Parents via Email

- 1 Open your class
- 2 Click on "Invite families"
- 3 Click "Share one class link" to pull up a link that you can send to parents. They will request to connect to a student in your class with the link and these requests will need to be verified by you or a co-teacher

- 4 Click + Connect a parent to enter the parent's phone number or email address.

Once you've sent the invite, parents will get an email or text from us with a link to accept your invitation. From there, they will create an account or sign into their existing account to connect to you.

**Please Note:** Even if you send a text invitation, parents will need to use an email address to create an account.

## C. Invite Parents via Class Link

- 1 Open your class
- 2 Click on "Invite families"
- 3 Click "Share one class link" to pull up a link that you can send to parents. They will request to connect to a student in your class with the link and these requests will need to be verified by you or a co-teacher

# GETTING STUDENTS CONNECTED

There are 3 ways students can log into their ClassDojo student account on the Web:

- 1 Scanning a QR code (recommended for classrooms with camera-enabled devices)
- 2 Entering a 6-character text code (recommended for classrooms that lack cameras)
- 3 Signing in through Google login (recommended for classrooms with Chromebooks)

To select a login method for your students:

- 1 Log into your ClassDojo teacher account on the Web: <https://teach.classdojo.com/>
- 2 Select a class and tap the "Portfolios tab"
- 3 Select your student login method

# GETTING STUDENTS CONNECTED

## CONTINUED

This is the preferred way and use class links.

**Logging in with Google sign-in: This option is recommended for classrooms with Chromebooks or laptops.**

- 1 Go to [dojo.me](https://dojo.me)
- 2 Select "Google sign in"
- 3 Enter your Google email address & password (**Note:** This email address can NOT be linked to an existing ClassDojo account)
- 4 Tap "Allow" to permit ClassDojo to access your language preferences and your approximate age
- 5 Enter your one-time Google sign-in code (6-letter code) (**Note:** Students will only need to enter this code once. This code will help us connect the student account to your class.)
- 6 Select your name from the class list
- 7 The next time students log into their account, all they need to do is go to [dojo.me](https://dojo.me) and tap "Google sign in." Then, they'll be automatically logged in!  
Easy-peasy!

# GETTING STUDENTS CONNECTED

## CONTINUED

**Logging in with a QR code:** This option is recommended for classrooms with back-facing cameras (i.e. iPads), but can be used on laptops & Chromebooks

- 1 Print off your class QR code and hang it at eye-level so your students can easily scan it on their device
- 2 Go to [dojo.me](https://dojo.me)
- 3 Select "Scan QR code"
- 4 Allow ClassDojo to access your camera (this will enable us to detect the class QR code)
- 5 Position the QR code in the frame
- 6 Select your name from the class list

**Logging in with a text code:** This option is recommended for classrooms that don't have access to cameras.

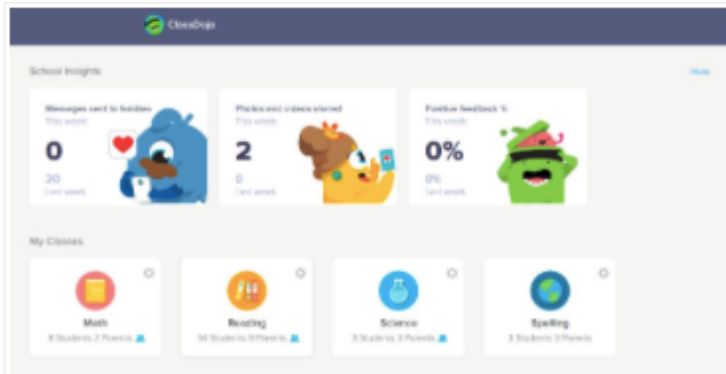

- 1 Go to [dojo.me](https://dojo.me)
- 2 Select "Enter text code"
- 3 Enter your 6-letter code (i.e. ABCDEF)
- 4 Select your name from the class list

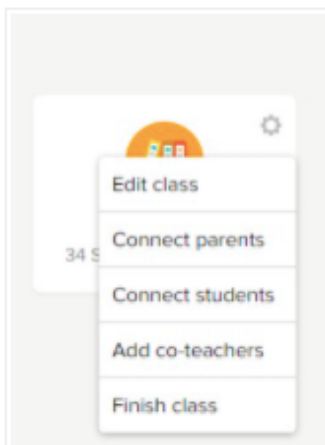

# HOW TO SHARE YOUR CLASS WITH ANOTHER TEACHER:

1. Log into the website

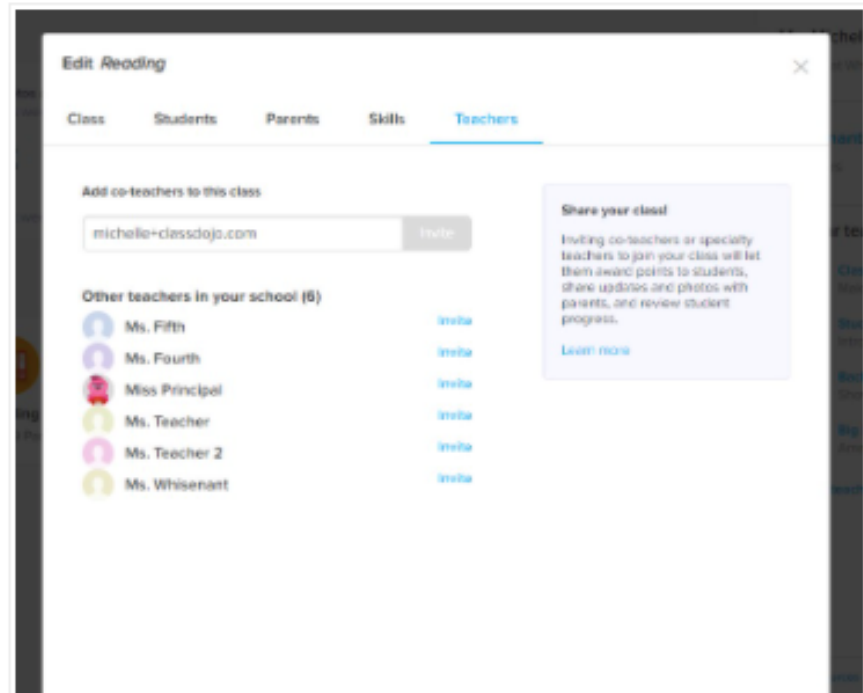

2. Find the class you want to share and click the gear icon in the top right corner of the class tile

3. Select "Add co-teachers"

4. Type the email of the teacher you want to share with, or find their name in the verified teacher list below the entry line and click "Invite"

5. The teacher you invite will receive an email asking them to accept the invite by clicking on the "Accept" link, or log into the website and click on the "Accept" button on the class tile that will have appeared on their account dashboard

**Teachers connected to your class will be able to:**

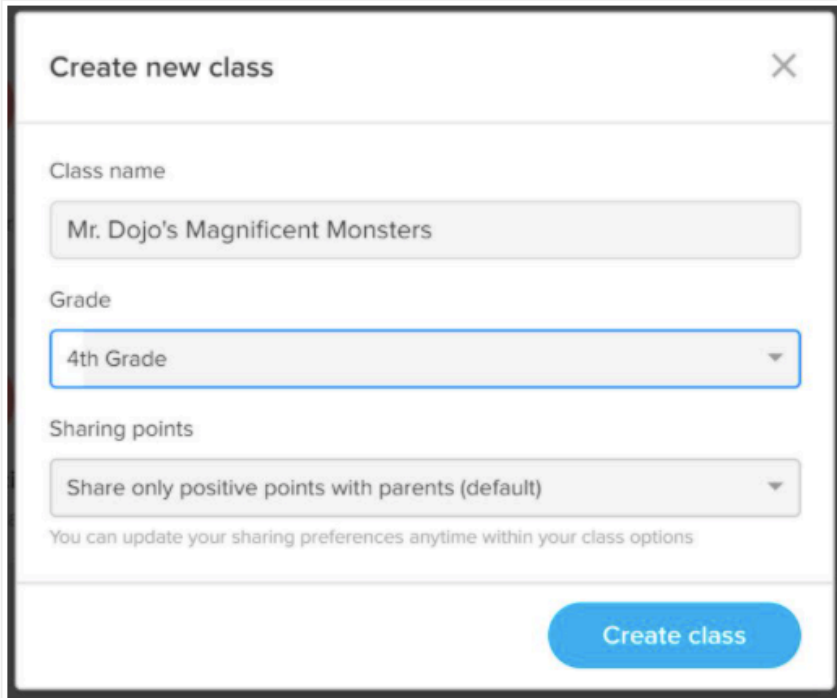

- Give points under their name
- View student reports
- Reset point bubbles
- Use ClassDojo Messaging with all connected parents
- Add, edit, and delete students

**Teachers connected to your class will NOT be able to:**

- Send ClassDojo Messages under your name
- Connect other teachers to your class

# HOW TO CREATE A CLASS:

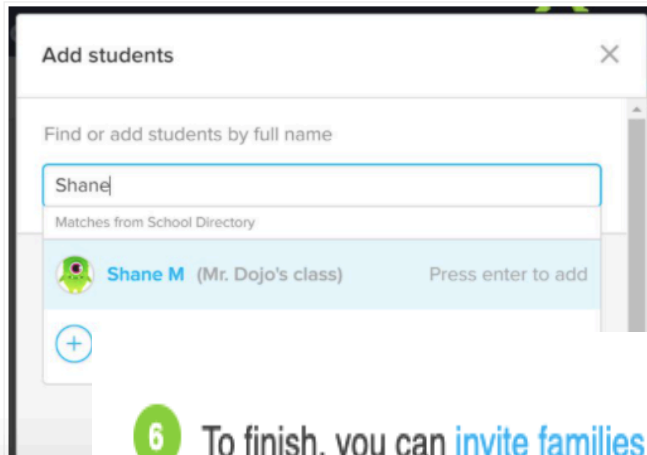

- 1 Click on the "+ New Class" tile
- 2 Enter a name for your class, select your class grade level or year, and choose your sharing points preference

The screenshot shows a 'Create new class' dialog box with a close button (X) in the top right corner. It contains three input fields: 'Class name' with the text 'Mr. Dojo's Magnificent Monsters', 'Grade' with a dropdown menu set to '4th Grade', and 'Sharing points' with a dropdown menu set to 'Share only positive points with parents (default)'. Below the 'Sharing points' dropdown is a small note: 'You can update your sharing preferences anytime within your class options'. At the bottom right of the dialog is a blue button labeled 'Create class'.

- 3 Click the blue "Create class" button
- 4 From your new class, click on the "+ Add students" tile

- 5 Enter a student's first and last name. You'll see a drop-down menu appear. If there's a matching student in the Student Directory you'll see a "Matches from School Directory" notice above the name of the student and the name of the last class the student was in (or the current class they are in). Below that will be an "Add [student's name]" option. **Selecting the option with the class name will import from the School Directory, selecting the "Add [student's name]" option will add the student as new.** If you're connected to a school, students who are already in your School Directory should auto-populate as you enter the first few letters of their name.

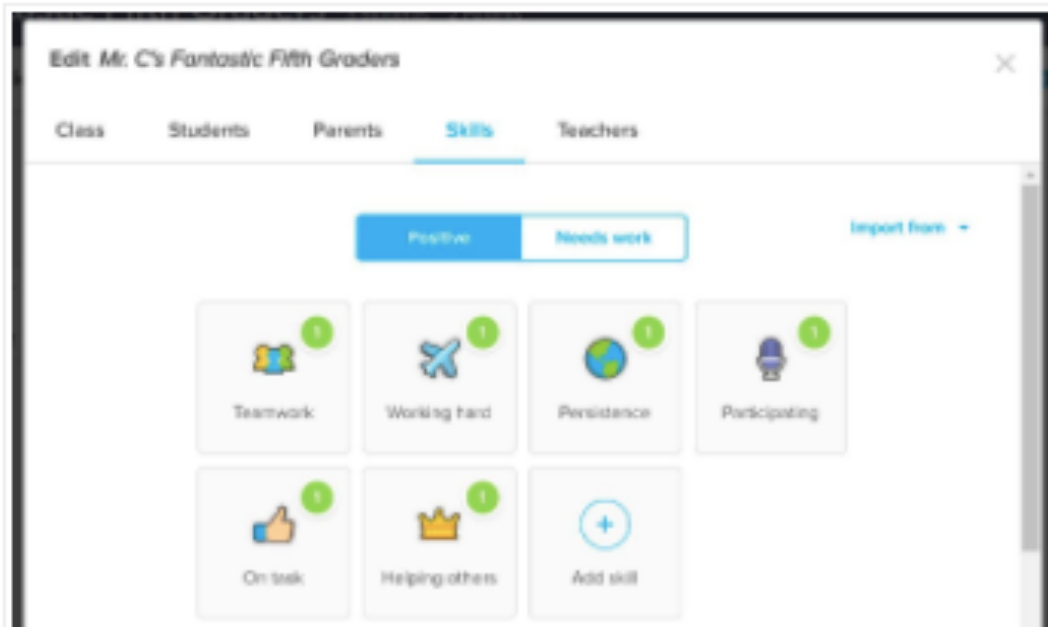

The screenshot shows an 'Add students' dialog box with a close button (X) in the top right corner. It features a search bar labeled 'Find or add students by full name' containing the text 'Shane'. Below the search bar is a section titled 'Matches from School Directory' which displays a search result for 'Shane M (Mr. Dojo's class)' with a small profile icon and the text 'Press enter to add'. At the bottom left of the dialog is a blue button with a plus sign (+).

- 6 To finish, you can [invite families to join your class](#) or [create customized skills!](#)

# HOW TO ADD AND EDIT SKILLS:

- 1 Open your class
- 2 Click on the "Options" button near the top right corner and select "Edit Class"
- 3 Click the "Skills" tab on the pop-up box
- 4 **Add a Skill:** Click on the "+ Add skill" tile

- 5 **Edit/Customize a Skill:** Click on a skill tile and edit the icon, name, or point weight. Then, click "Save"
- 6 **Delete a Skill:** Click on a skill tile and click "Delete"

# HOW TO POST ON CLASS STORY:

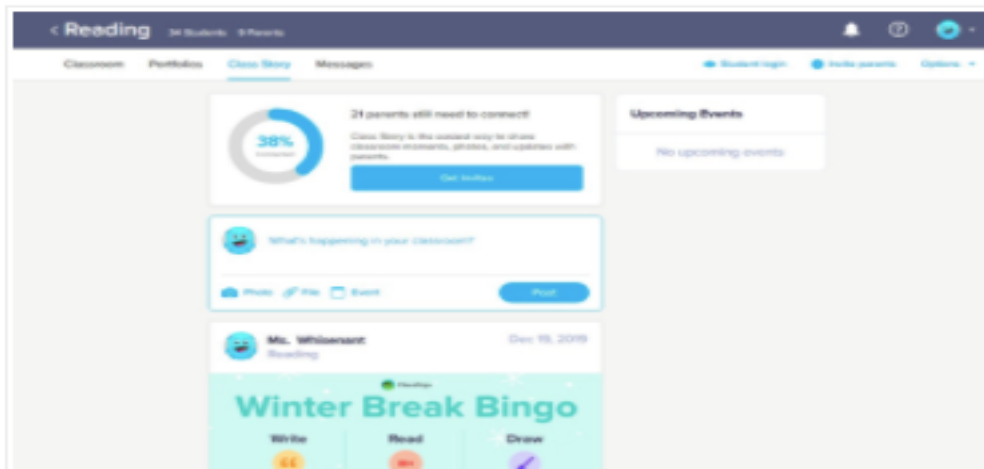

## To Post to Class Story:

- 1 Open your class
- 2 Click on the "Class Story" tab
- 3 Tap on "Photo/Video" to add a photo or video. (You can add mp4 videos up to 8 minutes long). Tap "File" to upload an attachment (we currently support the following file attachments: PDF, Word, Excel, PowerPoint, Text, and CSV). Tap "Record" to [record a video](#) directly on our site. (Videos can be up to 8 minutes long). Tap "Event" to [add a Classroom event](#) to your Class Story feed.
- 4 Add your text in the "What's happening in your classroom?" box
- 5 Click on "Post" to publish

# HOW TO POST AND EVENT ON CLASS STORY:

Any teacher connected to a class can post classroom events on the Class Story. Parents will be notified of the event according to the reminder choices you select.

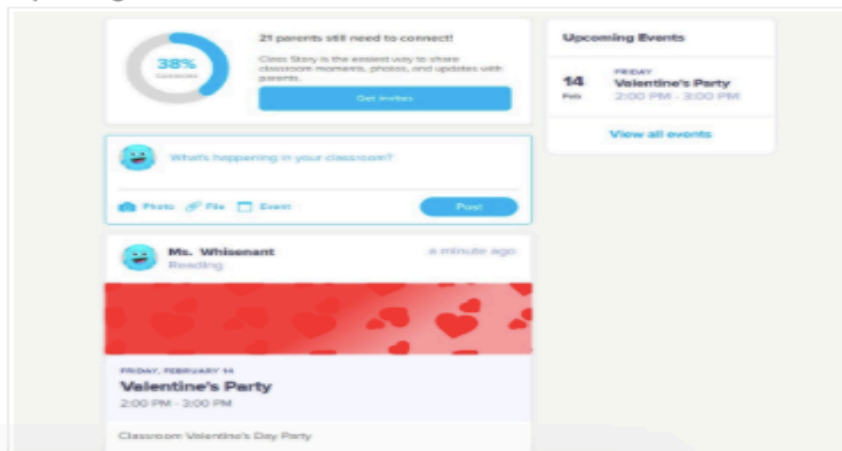

1. Open your class
2. Select the "Class Story" tab
3. Click on "Event" in the "What's happening in your classroom?" box

4. In the window which pops up, add your event Title, Date & time, Description, Theme and select the boxes for when you would like parents to receive a reminder notification of the event.

A screenshot of the event creation form. The 'Description' field contains 'Classroom Valentine's Day Party'. The 'Theme' section shows a red heart pattern theme selected. The 'Reminders' section has three options: 'Immediately', '5 days before', '1 day before' (which is selected with a checkmark), and '1 hour before'. Below the reminders, there's a note: 'Choose when reminders get sent to parents for this event.'

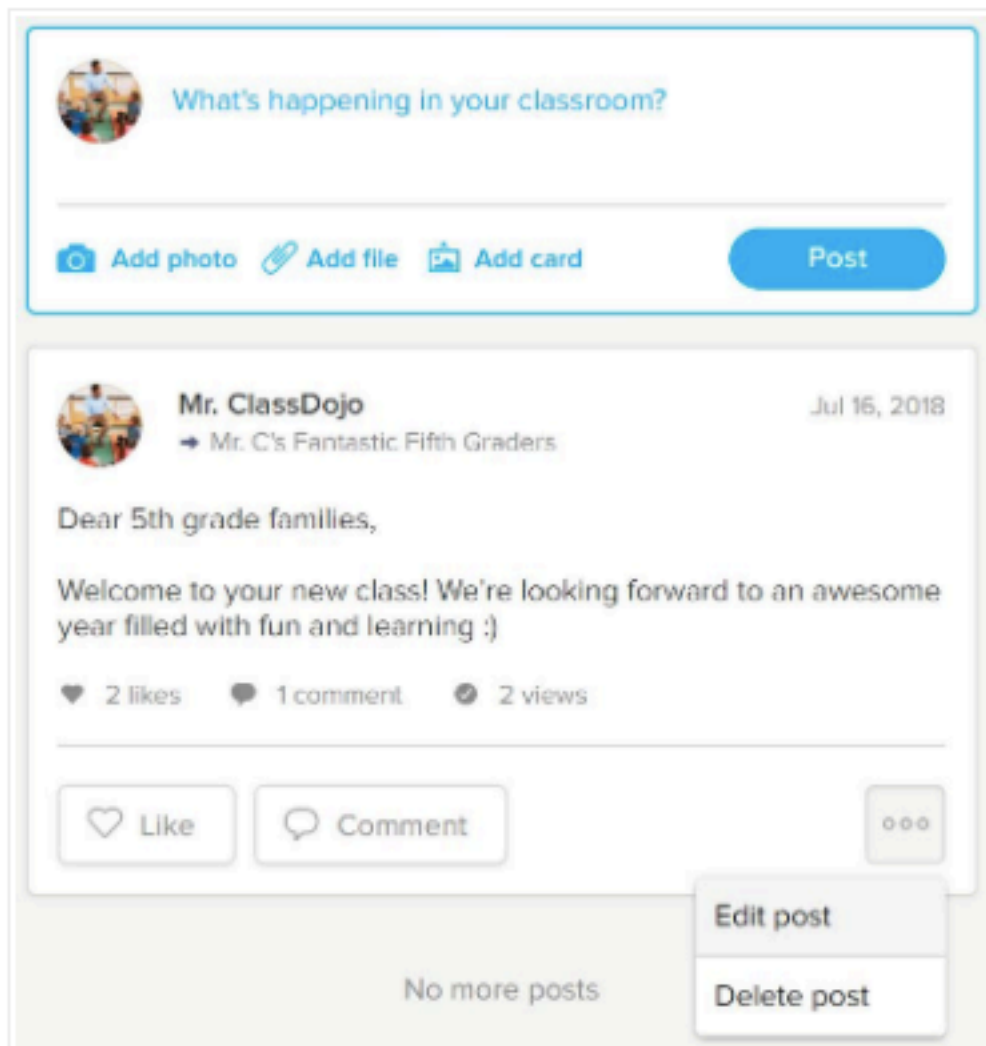

5. Click the blue "Create" button to post the event the Class Story and to your "Upcoming Events" sidebar.

# HOW TO EDIT A CLASS STORY POST:

- 1 Open your class
- 2 Click on the "Class Story" tab
- 3 Scroll to the post you want to edit and click on the button with the three horizontal dots in the bottom right corner of the post
- 4 Select "Edit Post"
- 5 Edit the caption and/or photo in your post
- 6 Press "Post"

**Please Note:** You may only edit Class Story posts that you have created.

The screenshot shows the ClassDojo interface. At the top, there is a text input field with the placeholder "What's happening in your classroom?". Below the input field are three buttons: "Add photo" (with a camera icon), "Add file" (with a paperclip icon), and "Add card" (with a card icon). To the right of these buttons is a blue "Post" button. Below the input field is a post by "Mr. ClassDojo" from "Mr. C's Fantastic Fifth Graders", dated "Jul 16, 2018". The post text reads: "Dear 5th grade families, Welcome to your new class! We're looking forward to an awesome year filled with fun and learning :)". Below the text are engagement metrics: "2 likes", "1 comment", and "2 views". At the bottom of the post are buttons for "Like", "Comment", and a three-dot menu. A dropdown menu is open from the three-dot menu, showing "Edit post" and "Delete post" options. At the bottom of the screen, it says "No more posts".

# HOW TO CREATE AND ASSIGN CLASSWORK ON DOJO:

Activities are a wonderful way to assign classwork (or even homework) to your students, and to keep track of who's completed an Activity and who hasn't!

- 1 To assign an activity to your students, log into your ClassDojo teacher account using a computer
- 2 Choose your class
- 3 Tap the "Portfolios" tab
- 4 Tap "Create activity"
- 5 Enter an Activity name, i.e. "Reading reflection"
- 6 Enter Activity instructions, i.e. "Write five sentences about the 10 pages you read last night, and include a two-sentence description of your favorite character so far!"
- 7 Select how you want students to respond to the Activity (i.e. Text entry, Video recording, Photo, or Drawing)
- 8 Tap "Assign to class"

**Create activity**

Assign activities like classwork, reflections, and homework directly to student devices. Their responses post to their portfolios once you approve it!

**Describe your activity**

Activity name

Activity name can't be blank

Activity instructions

Instructions can't be more than 255 characters.

**Students will submit a...**

- Text entry ✓
- Video recording
- Photo
- Drawing

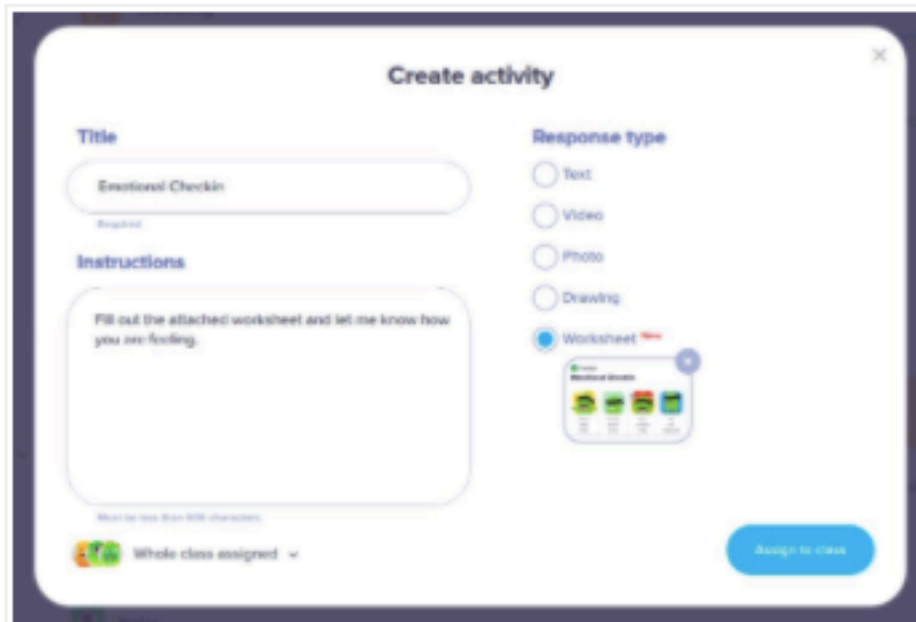

Assign to class

The Activity will be immediately assigned directly to your students and it will appear under their "To Dos" in their account. You can tap on an Activity in your queue to see which students have responded to the activity. You can also tap the "Edit" button next to the gear icon on the Activity to archive it or delete it from your Activity queue.

# HOW TO USE THE WORKSHEET FEATURE

You can now use the activities feature in ClassDojo Portfolios to assign worksheets to your students! At this time, activities can only be assigned using the ClassDojo website. Here's how:

- 1 Log into your account on the ClassDojo website
- 2 Open your class
- 3 Select the "Portfolios" tab under the class name
- 4 Tap "Create activity"
- 5 Enter the activity name, instructions and then under "Response type" choose "Worksheet"
- 6 Click "Upload attachment" and then follow the prompts to select the file or image you would like to add as a worksheet
- 7 Click "Assign to class" to assign to the entire class or follow the steps in [this tutorial](#) to assign to certain students in your class

The screenshot shows the 'Create activity' form. The title is 'Emotional Checkin'. The instructions are 'Fill out the attached worksheet and let me know how you are feeling.' The response type is 'Worksheet'. There is a button 'Assign to class'.

Students will be able to write, draw, add text and even stickers to their assigned worksheet. You can share [these instructions](#) with your students on how to access and respond to assigned activities.

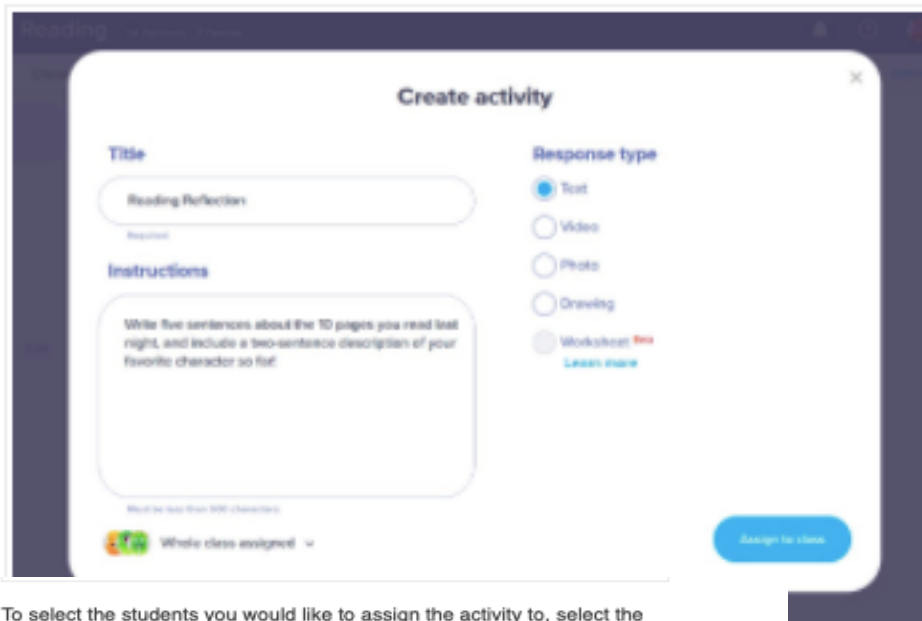

# HOW TO RECORD VIDEO DIRECTIONS IN PORTFOLIO:

- 1 Log into your account on the ClassDojo website
- 2 Open your class
- 3 Select the "Portfolios" tab under the class name
- 4 Tap "Create activity"
- 5 Enter the activity name and select how you want students to respond to the activity. In the "Instructions" box, click "Record" in the lower right corner.
- 6 Click the blue video camera button to begin recording (to adjust settings like camera or microphone click "settings" in the upper left corner)
- 7 When you are finished recording click the red stop button
- 8 When you are ready to post, click "Continue" (You can also click "Retake" to record the video again)
- 9 Your video will upload before showing up in the instructions window. You can click on the video to preview it or you can click on the "x" if you would like to remove the video. Click "Assign to students" when you are ready to send the assignment

# HOW TO ASSIGN WORK TO STUDENTS OR GROUPS

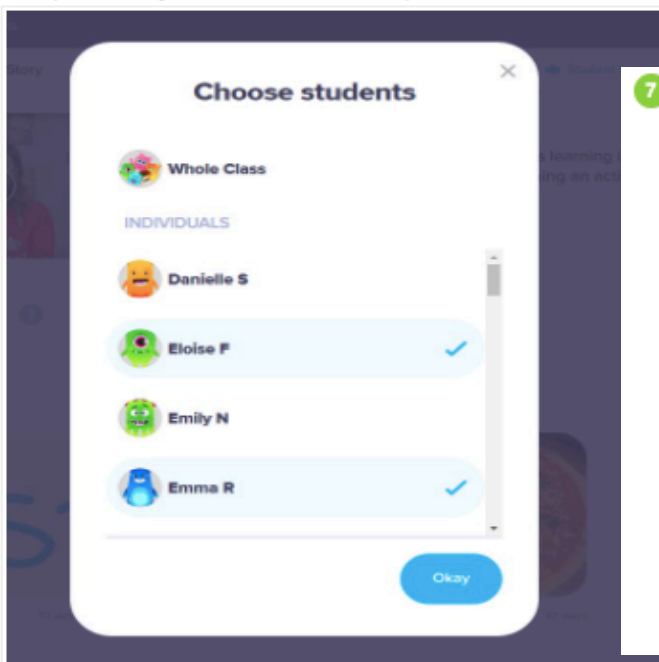

Teachers can now use activities to assign an activity to a group of students or an individual student in their class! Here's how to use this feature:

- 1 Log into your account on the ClassDojo website
- 2 Open your class
- 3 Select the "Portfolios" tab under the class name
- 4 Tap "Create activity"
- 5 Enter the activity name, instructions and select how you want students to respond to the activity

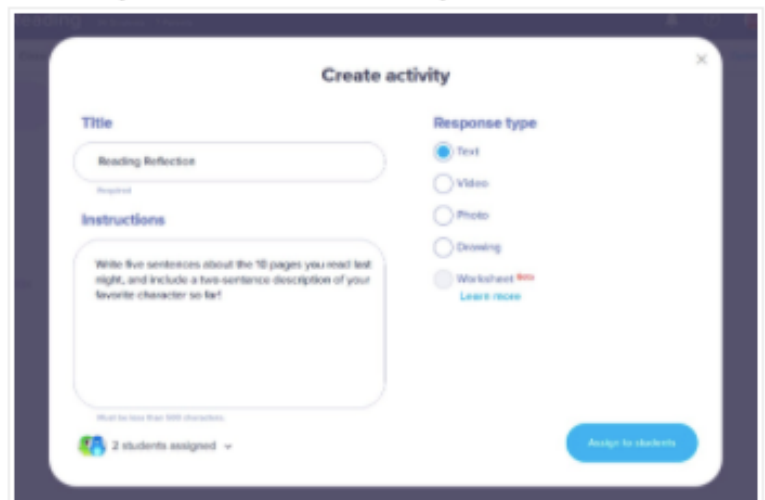

The screenshot shows the 'Create activity' form. The title is 'Reading Reflector'. The instructions are 'Write five sentences about the 10 pages you read last night, and include a two-sentence description of your favorite character so far'. The response type is 'Text'. The form is titled 'Create activity' and has a close button in the top right corner. At the bottom left, it says 'Whole class assigned' with a dropdown arrow. At the bottom right, there is a blue button labeled 'Assign to class'.

- 6 To select the students you would like to assign the activity to, select the drop down arrow beside "Whole class assigned" in the bottom left corner of the window. Click on each student's name that you would like the activity to be assigned to and then click "Okay"

The screenshot shows the 'Choose students' dialog. It has a close button in the top right corner. Under 'INDIVIDUALS', there are four students listed: Danielle S, Eloise F, Emily N, and Emma R. Eloise F and Emma R are selected, indicated by blue checkmarks. At the bottom right, there is a blue button labeled 'Okay'.

- 7 Click "Assign to students" to send the assignment

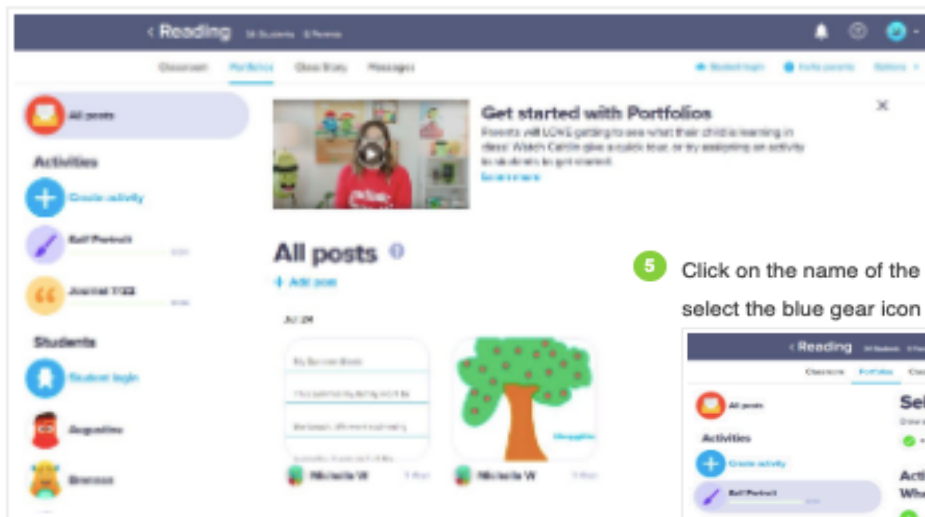

The screenshot shows the 'Create activity' form after selecting students. The title is 'Reading Reflector'. The instructions are 'Write five sentences about the 10 pages you read last night, and include a two-sentence description of your favorite character so far'. The response type is 'Text'. At the bottom left, it says '2 students assigned' with a dropdown arrow. At the bottom right, there is a blue button labeled 'Assign to students'.

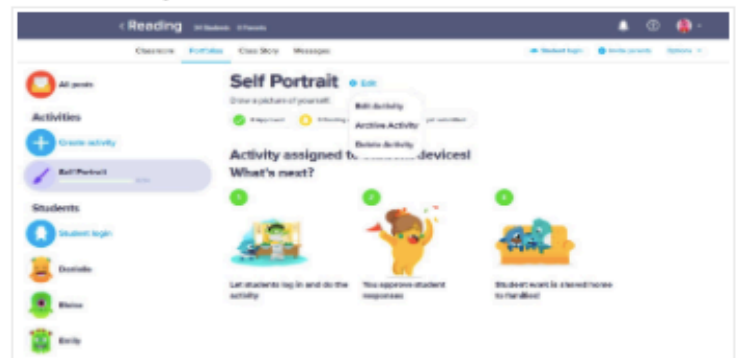

# HOW TO EDIT OR DELETE AN ACTIVITY IN PORTFOLIO:

You can edit or delete a portfolio activity which you have assigned to your class on the ClassDojo website. Here's how:

- 1 Log into your account on the ClassDojo website
- 2 Open your class
- 3 Select the "Portfolios" tab under the class name
- 4 On the upper left side of the page you will see all of the activities you have assigned under "Activities"

- 5 Click on the name of the activity you would like to edit or delete and then select the blue gear icon which reads "Edit"

- 6 To edit an activity: select "Edit Activity" from the drop-down menu. Make the changes you would like and then click "Save"

- 7 To delete an activity: select "Delete Activity" from the drop-down and confirm the deletion by clicking "Delete" in the pop-up window.

# HOW TO CREATE A PARENT ACCOUNT:

## To Create a Parent Account with a Parent Code:

- 1 Go to [home.classdojo.com](https://home.classdojo.com)
- 2 Select "Parent" from the center of the screen

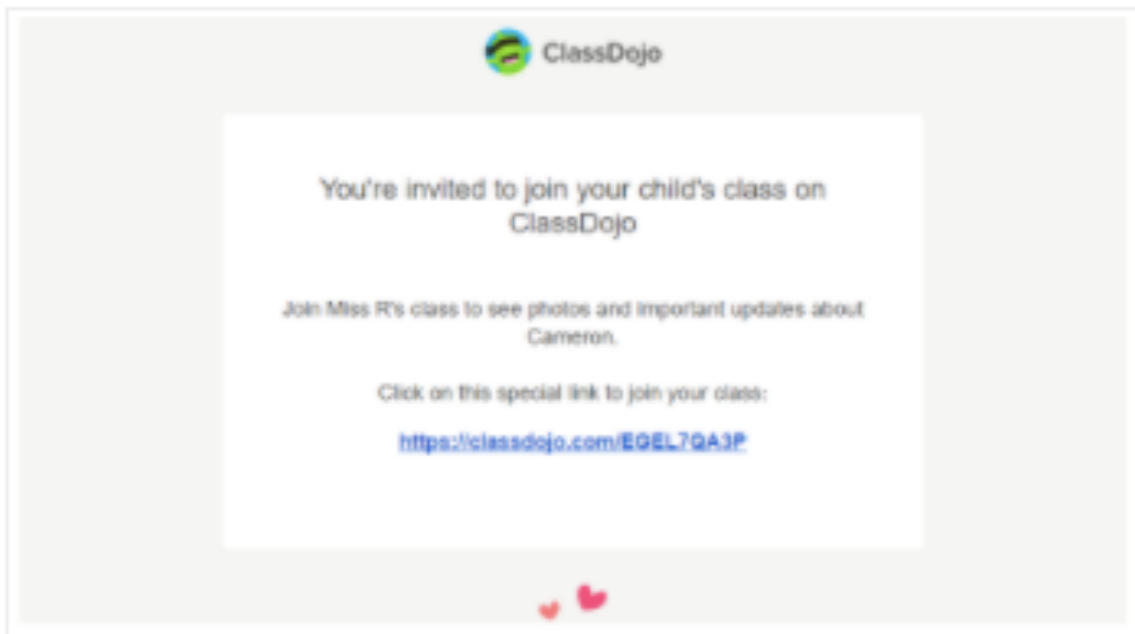

- 3 Enter your parent code and select "Check code" and Click on "I'm \_\_\_'s Parent" OR select "Sign up," enter your first and last name, email address, and create a password before clicking "Sign Up" again

# HOW TO CREATE A PARENT ACCOUNT: CONTINUED

## To Create an Account Using an Email Invite:

- 1 Click on the link in your email invite

- 2 Click on the "I'm \_\_\_\_'s Parent" button
- 3 Enter your first and last name, email address, and create a password before clicking "Sign Up"

# HOW TO CONNECT TO MY CHILD'S CLASS:

## School or Class Link

If your teacher has shared their [School](#) or [Class](#) link with you, you will want to copy and paste this into your Google Chrome browser. After following the prompts, you will be connected to your child after the teacher has accepted your request to connect. For more detailed steps on this process check out the [class link instructions](#) or [school link instructions](#) for our website.

## Parent Code

Your [parent code](#) will be unique to your child. This will be an 8- or 9-digit code you receive from your child's teacher. If they have not sent this code your way, you can contact them directly and ask them for this [Parent code](#) so you can properly connect.

## Email Invite

If your child's teacher has sent you an email invitation, you will want to click on the link in your email. After clicking the link, this will take you to a screen to either [sign up](#) or log into your existing account. Once you have logged into your account, you will see that you are connected to your child's class.

## Teacher Search

If you have not received an invite code or email link, you can still search for your child's school and teacher in order to [request to connect](#) to the class. After you have requested to connect, you will see a pending connection within your account. Once the teacher accepts your request, this will become active and you will see a "New Class Connection" post within your Story feed.

# HOW TO CHANGE LANGUAGE PREFERENCES:

ClassDojo accounts are available in 30+ languages. To change the language on your parent account using the website, please do the following:

- 1 Click on your name in the upper right corner of the screen when you are logged into your parent account and select "Account Settings"

- 2 Under "Language preference," select your desired language

- 3 Click the blue "Save changes" button

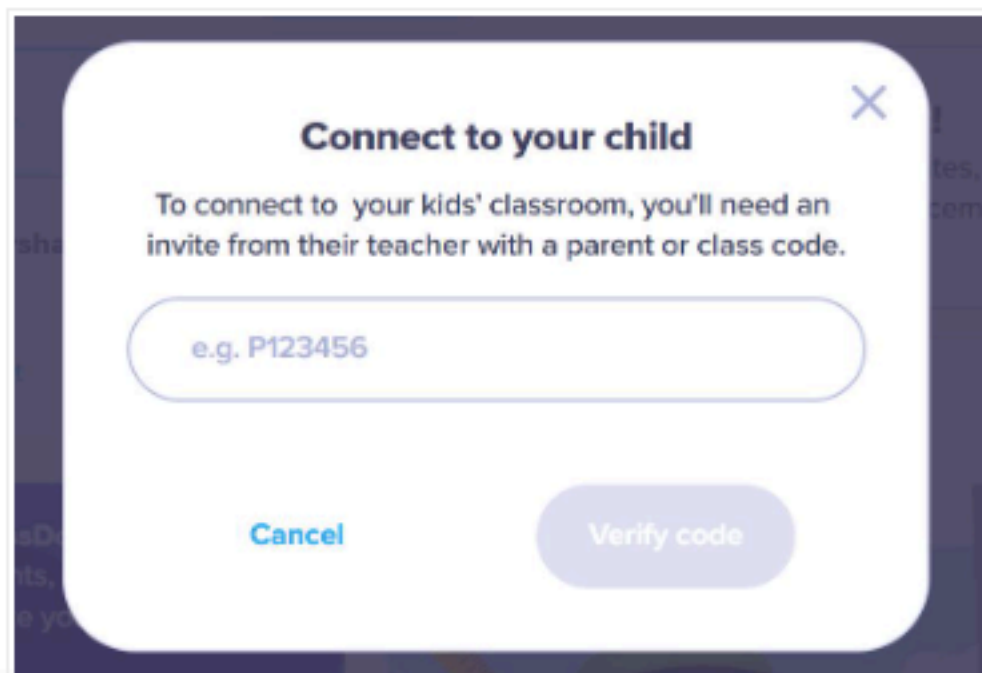

# HOW TO ADD MULTIPLE STUDENTS TO A PARENT ACCOUNT:

## To add a parent code:

- 1 Click on the "+ Add Student" button on the left side of your screen

- 2 Enter your parent code (this code is 7-9 digits and starts with a "P"), and click on "Verify Code". Each student will have a unique parent code.

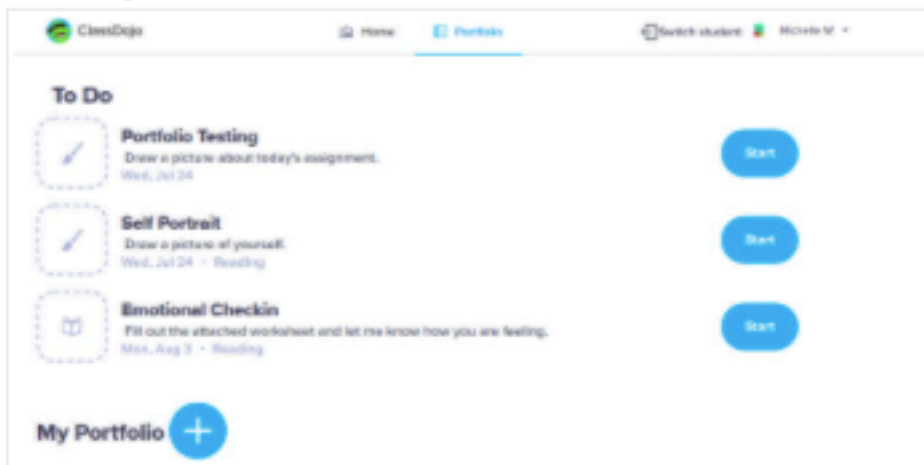

# HOW TO ACCESS AND RESPOND TO STUDENT ACCOUNT:

Teachers can use ClassDojo portfolios to assign your child activities such as journal entries, worksheets, drawing pages, and more!

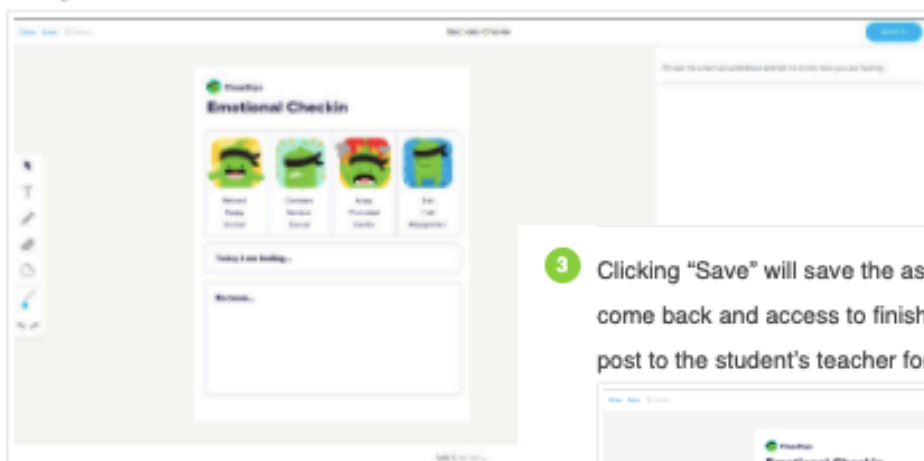

In order to view activities your child's teacher has assigned your child, you will need to be [logged into your child's student account](#).

Once in your child's student account, here's how you can help them complete their assigned activities

- 1 You will see all of your child's assigned activities under "To Do" at the top of the "Home" or "Portfolio" tab. Click "Start" next to the activity you would like to begin.

- 2 Read the activity instructions and use the different tools to complete the assignment

- 3 Clicking "Save" will save the assignment as a draft that students can come back and access to finish later. Clicking "Hand in" will submit the post to the student's teacher for approval.

# HOW TO DOES MY CHILD LOGIN AT HOME:

## For devices with a camera:

*Using an individual QR code sent by your child's teacher:*

- 1 Navigate to the ClassDojo student website at [dojo.me](https://dojo.me)
- 2 Select "Scan QR Code"
- 3 Hold up the QR code in front of your computer's camera until the QR reader has successfully read the code

For more detailed instructions on this as well as troubleshooting steps, please see this student tutorial: [Logging in with an Individual QR Code](#)

## For devices without a camera:

*Using the Google sign-in method:*
